

LA GRANGE DEPARTURE DAY

The guest who completed the Booking Form is responsible for ensuring the following simple courteous steps are followed or your security deposit may be reduced accordingly

This respects the next guests to ensure they have access from 5pm to start enjoying their holiday

Departure is by 09:30 – there are 4 caretakers, 2 gardeners and a pool man working hard until 5pm to ensure the high standards are maintained

Leave house as you found on your arrival - If any equipment has been moved, the caretakers would very much appreciate it to be replaced as they have very limited time and even more limited strength!

Rubbish & Nappies - All rubbish must be in bags with no loose waste at all in the bins. Nappies and dog poo bags must be in the rubbish sacks and NOT LOOSE or we will have to charge for this.

Kitchen Key Box - Check the keys are present – spare front door, bike shed, pool cover high end and front flap, long fuse box key in Lavender bedroom

Bathrooms - Empty bathroom bins and place used towels in the bath or shower

Bedrooms – No need to strip beds

Infant equipment - Please sanitise and leave in the dining room for the caretakers to check. Dismantle travel cots, high chairs and buggys

Kitchen - Place breakfast dishes in the dish washer and turn on. Empty kitchen bins

Glass Recycling – Remove all glass recycling

BBQs – Please leave as you would expect to find as the caretakers do not have time to clean

Dogs - We have toddlers enjoying the garden most weeks therefore it is imperative that all dog waste is removed and the gardens thoroughly checked before departure

Key - Leave in cream post box or hand to caretakers who arrive at 09:30

Merci bien!

With very grateful thanks from the whole team and hope you have had a great holiday
